Name of Offeror or Contractor: PEI ELECTRONICS INC		

SECTION A - SUPPLEMENTAL INFORMATION

1. The purpose of this modification is to shift the deliveries attributed to CLIN 0001AA DOC REL CD 001 DEL REL CD 008 (quantity 10 each) from 30-APR-2003 to 30-JUN-2003 as an increase in quantity associated with CLIN 0001AA DOC REL CD 001 DEL REL CD 010 from 15 each to 25 each.
2. Furthermore, this modification shifts the deliveries attributed to CLIN 0001AA DOC REL CD 001 DEL REL CD 009 (quantity 10 each) from 30-MAY-2003 to 30-JUL-2003 as an increase in quantity associated with CLIN 0001AA DOC REL CD 001 DEL REL CD 011 from 15 each to 25 each.

These schedule changes are attributed to latent defects in vendor supplied components that did not emerge until the manufacturing process began. As a result PEI Electronics is developing another vendor to prevent similar delays in the future. Based on the understanding that the latent defects could not be detected in PEI component acceptance and QA inspection procedures and that they are developing another component source at their own expense, there is no cost associated with this schedule extension.

3. All other terms and conditions remain unchanged.
